

# Wednesday Bridge Club

## Would you like to play Rubber Bridge?

Wednesday Bridge Club is looking for new members.

The club meets every Wednesday at the Goodworth Clatford Village Club from 7.00pm until 10.00pm to play Rubber Bridge.

Occasionally Chicago Bridge is played.

Tables of 4 are made up on arrival and players change tables at the end of each rubber.

The first Wednesday of the month is a 'partners evening'.

Tea or coffee and biscuits are offered during the evening.

The Wednesday Bridge Club is not a teaching club so prospective members would need some experience in playing bridge.

Rubber Bridge play is similar to Chicago Bridge, but the scoring is slightly different and can be easily picked up.
